**Wertz & Company named among “Orange County’s Top CPA Firms”**

In January 2011 OCMETRO Magazine published their first-ever and annual CPA issue with a list called the “OCMETRO 100”. This list was comprised of Orange County’s Top CPA firms as named by both other CPAs and by their readers. Wertz & Company was among the top 100 firms named.

In late 2010, OCMETRO Magazine emailed a peer-only survey to over 1500 CPAs in Orange County asking for their opinions on which firms were the best of the best. In addition to a peer-review, [ocmetro.com](http://ocmetro.com) hosted an online “Readers Choice” survey. After weeks of tallying results and vetting firms through state license and conduct boards, their list was finalized. Wertz & Company placed within the top 49 firms who had an overwhelming response in both surveys.

“The fact that we were recognized by both our peers and our clients was a tremendous honor,” announced Russ Wertz, Chief Executive Officer. Wertz attributed this to the staff, “each and everyone one of our employees embraces the Company vision – to be client centered. We are so committed to this vision that we have literally organized our structure around our clients’ needs – delivering objective advice, core services, suitable solutions, and practical ideas that help build, maintain and grow the value of our clients’ enterprises.”

Wertz & Company, headquartered in Irvine, is a full service, client centered, CPA firm specializing in providing, tax, consulting, and financial services to individuals and small & mid-size entrepreneurial companies throughout the Southern California Region.
